- (4) coastline : island

Correct answers and Explanations:

question	answer	question	answer
1.	(4)	6.	(1)
2.	(1)	7.	(3)
3.	(4)	8.	(4)
4.	(3)	9.	(2)
5.	(2)	10.	(4)

1. hybrid : race -

A hybrid is a mixture of races just like alloy is a mixture of metals.

2. piano : scale -

A scale is a series of notes played by the piano just like a word is a combination of characters written by the pen.

3. blade : rapier -

A rapier must have a blade in order to be effective just like a camera cannot exist without a lens. (the visor is not a defining part of the hat and there are chairs with no backrest).

4. dictionary : language -

We use a dictionary to translate one language to another just like a transformer is used to "translate" one voltage to another.

5. lantern : spotlight -

A spotlight is a more effective and modern form of the lantern just like a truck is a more effective and modern version of the wheelbarrow.

6. well : drink -

we extract something (water) from the well in order to drink it just like we extract something (wood) from the forest in order to burn it.

7. noisy : "quiet!" -

"quiet!" = stop being so noisy
"wake up!" = stop being so drowsy

8. famished : hunger -

Famished means extremely hungry just like ecstatic means extremely happy.

9. thimble : tailor

A thimble is meant to protect the tailor just like a helmet is meant to protect the soldier.

10. outskirts : metropolitan -

The outskirts are the marginal parts of the city (the perimeter of the city) just like the coastline is the perimeter of the island.
